There will be two timers' meetings in front of the baby pool. The **first meeting will be at 7:40am** and the **second meeting will be called when the coaches begin their warm-up for the IM**. If you are scheduled to time in the second half, you are welcome to attend the first meeting. Parents can share timing responsibilities as long as all heats are covered!

2nd half timers – please pay close attention and ensure to be on time for the 2nd timers meeting and for the transition from first half to second half!

Note: the 2nd half timers will time the coaches IM (starting block end of pool) and then events #41-80 (turn end of the pool).
